## **Additional information:**

- minimum taking 21pcs, in case of higher orders individual calculation,
- we are able to adapt all products to your requirements,
- your branding (rubber label / drawstring, textile label) is not included in the price of the product,
- prices are given only for products without gift packaging,
- production from own used materials (eventually we provide from our own resources),
- materials can be combined.

**Prices do not include VAT and shipping.**

**Product prices are approximate and will be calculated according to the current exchange rate.**
